

A MORE PEACEFUL LIFE

We all deserve a way to ease aches, escape stress, and reconnect with loved ones. A Series® hot tubs by Bullfrog Spas help you achieve a more peaceful body, mind, and home with a spa experience designed just for you. Featuring comfort-tested seating layouts and the patented JetPak Therapy System™, you can choose your favorite massages and place the JetPaks® in the seats that suit you best, creating the ultimate personalized experience.

With Simplicity Total Water Care™, keeping your spa water clean is effortless. Our easy 3-stage system provides clearer, cleaner water with chlorine levels up to 5 – 10 times lower than salt-based chlorine systems*. Combined with reliability, performance, and efficiency, A Series hot tubs are built for lasting enjoyment. Coordinated cabinets, ergonomic headrests, and thoughtful design make it easy to relax and create a more peaceful life.

**With the use of FROG® @ease® sanitizer compared to recommended chlorine levels in competing salt-based chlorine generation systems and standard dichlor protocols. FROG @ease available in the USA only. See your retailer for details.*
